**Subject: Dental Program: Fee Schedule Changes**

**Effective for dates of service on and after January 1, 2007,** the Health and Recovery Services Administration (HRSA) has discontinued some Current Dental Terminology (CDT) codes and added others. Other minor maintenance changes have also been made.

## Overview

- **All policies previously published remain the same unless specifically identified as changed in this memo.**
- HRSA changed the Dental Program Fee Schedule to comply with changes made by the national coding system. Some codes were discontinued and other codes were added.
- HRSA made other maintenance changes to the Dental program. HRSA has added age groups for specific CDT codes and indicators for the Current Procedural Terminology (CPT®) codes. This will help clarify information about the specific services covered for specific age groups.

**Note:** Changes are identified in the fee schedule by an indicator in the “Code Status Indicator” column.
